# FINANCIAL (FINC)

**FINC-619 Financial Management 4 Credits**
Prerequisites: ACCT-518 or MGMT-510
The purpose of this course is to provide students with an overview of financial management within organizations. The focus of this course is on the theoretical valuation of stocks and bonds and the capital markets in which they are traded. There is also emphasis on both the use of financial leverage by the firm and working capital management. The purpose is to enable managers to participate fully in financial decision-making.
