

UNDERGRADUATE TUITION AND FEES

Expenses

The current tuition, room, board and business related fees are listed below. The Student Accounts Office will send an email notification to your Kettering email when your tuition bill is ready to view via KU.ePay in Banner Self Service (approximately one month prior to the start of the term). All invoiced amounts are due by the beginning of each academic term and all financial aid arrangements must be made by the end of the first day of classes.

KU.ePay is the university's online billing and payment service, which provides our students the ability to view and pay their student account bill online, 24 hours/day, seven days a week. Students may authorize others to access their KU.ePay account and make payments on their behalf.

With KU.ePay, students and authorized users are able to:

- Review their student account activity.
- View and print billing statements.
- Make payment on their student account, including a single payment or sign up for a payment plan.
- View and print form 1098-T.

Payments may be made via an ACH transaction from a bank account or credit card. International payments may be made through KU.ePay, and will be processed as a bank wire. Please visit KU.ePay for more information. Payment in the form of a check, money order, or cashier's check may be sent directly to the Student Accounts Office.

A \$300 late fee will be assessed to accounts which have not been paid in full by 4:00 p.m. fourth week Friday of each academic term. Financial aid is available for students with a demonstrated need; sources of aid are discussed in the Financial Aid section of this catalog.

When registered for courses, students acknowledge enrollment in the courses selected and authorize Kettering University to bill for any related tuition and fees. To avoid any penalties, payment is due no later than 4th week Friday of each academic term. A financial hold and a \$300 late fee will be assessed on any account not paid in full which prohibits future course registration and/or cancellation and will result in grades and transcripts being withheld.

Tuition

For purposes of determining financial aid, a full academic load at Kettering University is considered to be 15 credit hours. Kettering University has a fixed rate tuition plan for full-time students. Simply put, Kettering students will be able to rely upon the tuition rate at the University remaining level for the duration of each student's full-time study at Kettering. The tuition rate is inclusive of all tuition-related University fees. *Please see below for Undergraduate Fixed Tuition Guarantee Plan terms and conditions.

Our reason for "fixing" tuition is simple – to take away the guesswork involved in college costs. The Kettering fixed tuition plan means that college costs for the entire program are predictable. While other universities will likely raise tuition every year (creating significant cost

increases over the time to a degree), at Kettering, those costs will remain stable.

Simultaneously, we are affirming our commitment to providing superb undergraduate programs in science, technology, engineering, mathematics and business with a rigorous experiential education component. We are dedicated to ensuring every element of your education here is rooted in excellence – whether in the classroom, laboratories, on the playing fields or in the gym.
